Corporate Partnerships

LUXHAUS.

Internorm

...and many more.

Loxone: our goal

A complete solution rather
than just a collection of
products

More simple, more reliable,
and smarter than any other
solution

"All-in-one"
app

Loxone: our goal

More intuitive to plan,
commission, and live
with

Clear standards
and recommendations

Loxone Standards & Recommendations

Automation

Intuitive control in a
real smart home

The must-haves in
every room

App & interfaces

Automation

Adjusts to your
needs

The must-haves in every room

Temperature
sensor

Motion sensor

Door & Window
contact

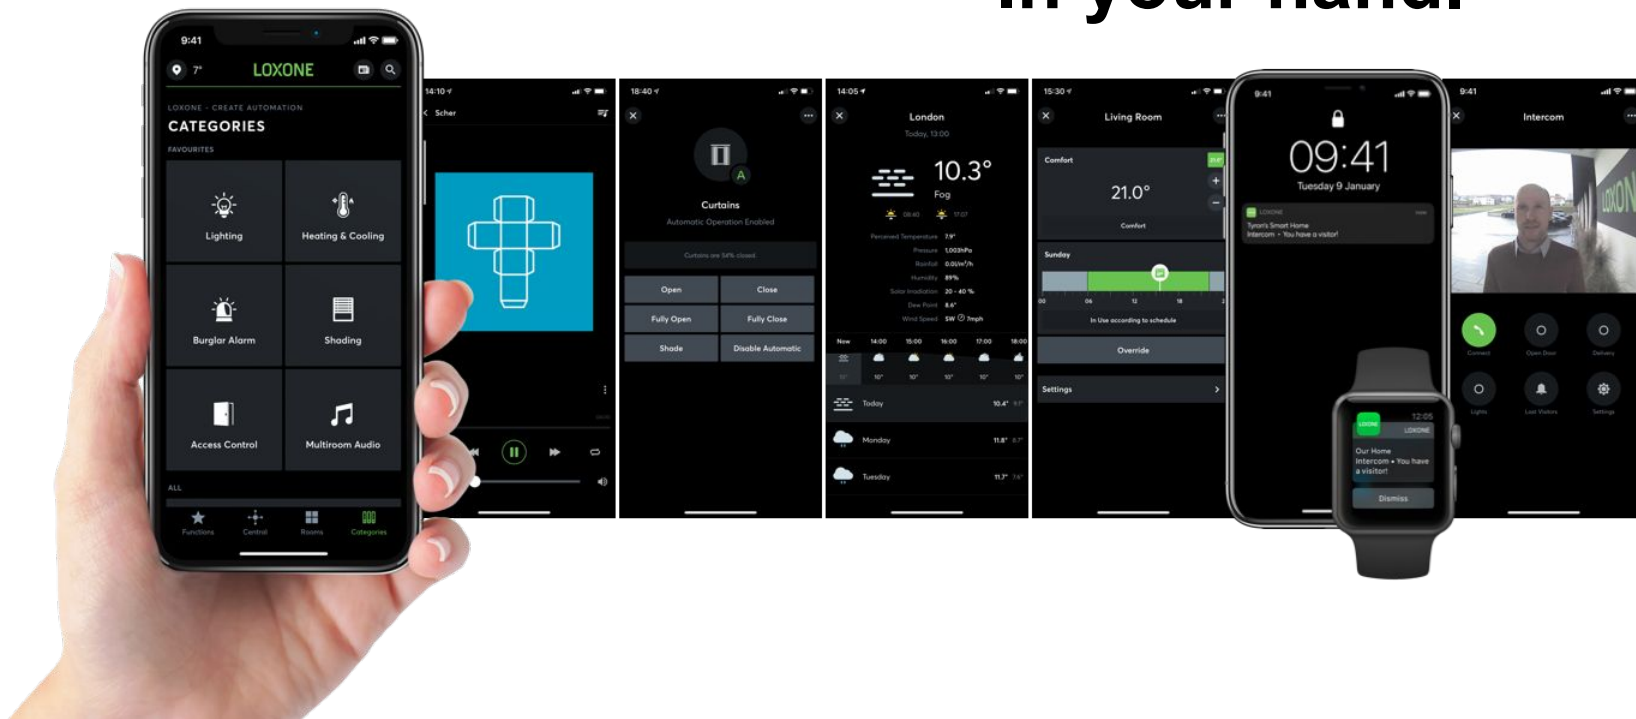

...and more

**Our most
beautiful
product.**
But you'll
rarely use it.

App & Interfaces

Your home.
In your hand.

Partnering in the future of smart homes

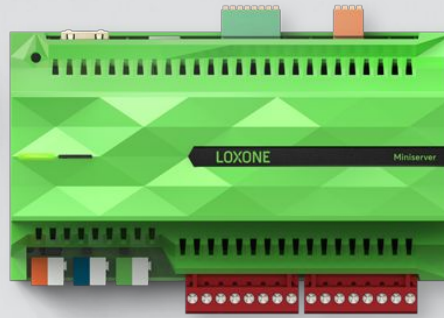

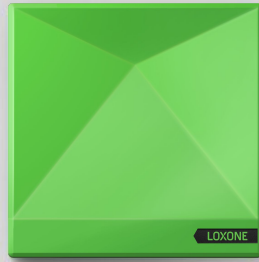

Up-to-date &
future-proof

Constantly
expanding solution

Complete building
automation

Constantly Expanding Solution

Building Automation

Real smart home technology.
Real projects.

Loxone Technologies
